

HIGH SCHOOL MUSICAL (GABRIELLA SCENE)

EXT. HIGH SCHOOL "SECRET HIDING PLACE" - AFTERNOON

Gabriella and Troy sit next to each other, enjoying their time together.

GABRIELLA

Do you remember in kindergarten how you meet a kid and knew nothing about them, and ten seconds later you were playing like you were best friends? Because you didn't have to be anything but yourself?

TROY

Yeah?

GABRIELLA

Singing with you felt like that.

TROY

Well, I never thought about singing, that's for sure.

GABRIELLA

So, you really want to do the callbacks?

Troy has to think about it.

TROY

Hey, just call me "freaky callback boy."

Gabriella smiles.

GABRIELLA

You're a cool guy, Troy. But not for the reasons your friends think.
