

ABRAMS ARTISTS AGENCY  
THEATRICAL AGENCY

To Whom it May Concern,

I am writing in regards to Youth Film Academy. I have been head of the Youth Theatrical Dept at Abrams for 14 years now. In the time that I have been here, YFA has sent me many talented clients. I trust YFA because they have gone on to book several features and episodics. YFA manages to find great talent. The staff is terrific at what they do, they have been a great resource for me over the years. I highly recommend YFA as a great facility to work with.
